SOFTWARE DEVELOPMENT INTERNSHIP

I am a programmer seeking an internship in which I can utilize my strengths in software development such as planning, testing, and debugging.

SKILLS

Requirements Gathering	Python	Android Studio
Testing	Java	SQL Developer
Debugging	JavaScript	
Collaboration	C	

EDUCATION

Northern Kentucky University

Bachelor of Science in Computer Science   May 2022

- Minor in mathematics   GPA: 3.9

DEVELOPMENT PROJECT EXPERIENCE

Website (https://chrisbridewell.dev)

- Created website through the use of HTML, CSS, and Bootstrap first
- Planned out everything to be included in the website, and quickly used HTML and Bootstrap to get out a solid template.
- Using CSS, modified the styles of Bootstrap for the final, polished website

Spill Station Checklist

- Created an app to eliminate challenges of trying to memorize spill stations which needed to be restocked
- Used processing, with an Android extension. Processing gives the ability to draw shapes, along with other useful features such as displaying images
- Using a JavaScript based language, created most components from scratch
- Created a scrolling mechanic, the most challenging problem which came up from using such a basic development tool

Zombie Survival

- Coded a basic, wave-driven zombie survival game over a summer break for fun
- Completed through python, making use of the pygame library, a library similar to processing which handles bare minimum things such as drawing to the screen
- Bundled the game together into an executable so that it could be easily ran on any windows machine

LEADERSHIP EXPERIENCE

International Collegiate Programming Contest (ICPC)

- Programming competition where teams of three people are challenged to complete complex coding problems as fast as they can
- 2019, placed 22nd out of 126 teams in the region

CUSTOMER SERVICE EXPERIENCE

Target, Newport, KY

Front of Store Attendant & Guest Service Advocate, 2017-Present

- Responsible for helping customers and co-workers through different tasks such as finding something, completing a return, or other irregularities that arise
